HUMAN RIGHTS POLICY STATEMENT

We believe that Tecnoglass Inc, as a group, have a great opportunity to contribute to human development in a society where human rights are respected. We recognize the responsibility to respect human rights and to contribute positively by amplifying each individual’s voices and needs circumscribed to the principles described in the United Nations Declaration of Human Rights, the International Labor Organization Declaration on Fundamental Principles and Rights at Work and the United Nations Global Compact.

Guidelines

We conduct business in a manner that respects human and labor rights, complying with all applicable laws and regulations and aiming in obtaining and maintaining highest business standards.

We reject the use of any form of forced or compulsory labor and does not confiscate money or identity papers upon commencing employment relationships to retain workers against their will. All employment is voluntary. We do not tolerate child labor, physical punishment or abuse.

We reject all forms of discrimination. Tecnoglass is committed to ensuring that its employees and potential employees are treated with respect; we encourage diversity and promotion of equal opportunities, both upon establishment of the employment relationship and during its performance and believe everyone should be treated with respect regardless of their background, gender, race, class, sexual orientation, age, political beliefs, marital status or any other form of segmentation.

We respect our employee’s rights to form or take part in organizations, including unions or other forms of association, aimed at defending and promoting their interests and does not interfere with their choices.

We are committed to ensuring high health and safety standards in the workplace. Tecnoglass promotes the dissemination and reinforcement of safety culture by developing risk awareness and fosters responsible behavior of all employees, including through information and training activities. Tecnoglass endeavors to protect the health and safety of workers and the interests of other stakeholders, particularly through preventive measures.

We reject any form of harassment; physical, verbal, sexual or psychological abuse; threats or intimidation in the workplace.

We acknowledge that the remuneration is the principle of fair reward for labor and respects the principle of equal remuneration among men and women.
TECNOGLASS also recognizes the importance of professional orientation by encouraging the ongoing training of its employees.

We are dedicated to complying with applicable legal requirements on the environment, and a constant improvement of the management systems and processes to maintain the right to a risk-free environment that is clean, healthy and sustainable.

We require that the entire supply chain system applies and commits to our Code of Conduct and principles, including the application of our Human Rights Policy.
